THEORY

THE VENUE

We are an upscale restaurant and lounge located in the heart of Chicago's River North neighborhood—surrounded by posh hotels, shopping centers, and the city's energizing nightlife scene—making it the perfect place for this season's holiday party.

The inviting, easily adaptable 3,000 square-foot space features comfortable amenities with a modern and upscale vibe, as well as a private event room for smaller, more intimate gatherings. And the sports fans in your party will have a front row seat to all the action with over 30 televisions throughout the space. If you'd prefer to provide your own entertainment, we offer free use of our in-house audiovisual capabilities. We've also partnered with local florists to provide the option of custom floral arrangements to make your event truly special. The space, paired with our emphasis on great cuisine and exceptional service, can take your holiday get-together above and beyond, while remaining affordable.

Our menu features fresh food prepared with high-quality ingredients at accessible prices, and truly caters to all tastes. Whether you're looking to accommodate 20 friends or 225 coworkers for the annual holiday celebration, our offerings can be readily adapted to a range of dining styles—from passed hors d'oeuvres for a cocktail reception, to plated dinners for a sit-down meal. Our chef and private events manager are happy to collaborate with you to customize our space and menu for a holiday party to make it one to remember.

GAMES + ENTERTAINMENT

FOR YOUR GUESTS

Looking to provide your guests with fun entertainment during your event? We can host TRIVIA GAMES consisting of history, pop culture, movie, sports, and other challenging questions, or the host can bring their own. We provide the answer sheets - you bring the creative team names, a friendly dose of competition and any prizes you'd like your winners to walk away with.

Looking for a game that requires less brain power but still keeps everyone on their toes? BINGO, the game of chance, is an excellent option for your next party. We handle the number calling while you focus on winning. Hosts are welcome to bring prizes for winners as well.
